

Care Cupboard Mission

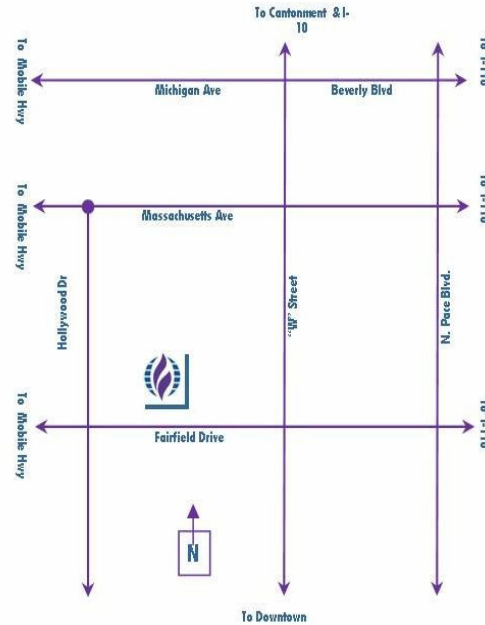

The mission of the Care Cupboard is to feed the homeless and less fortunate within our church and larger community on an emergency basis and to direct individuals and families to other community services and agencies for more long term needs. The pantry is stocked out of the generosity of the congregants.

Matthew 25:34-36

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me."

Hunger Facts

In 2009, Holy Cross MCC Care Cupboard Ministry distributed food to over 800 individuals.

57% of hungry Americans live in urban areas.

96 billion pounds of food is wasted each year... that is equal to the weight of all the people living in the United States...and Canada

One in eight Americans don't know where they will get their next meal.

Isaiah 46:3c-4

"I have upheld you since you were conceived and I have taken care of you since your birth.

Even when you are old, I will be the same. Even when your hair has turned gray. I will take care of you. I made you and will take care of you. I will carry you and save you."
